AP Calculus Summer Assignment

Hello Future Calculus Students!

In lieu of the typical math packet, you will be doing online assignments via Khan Academy. All assignments are due on the first day of school. I strongly suggest that you schedule time each week to work on this rather than letting it go until the last week.

To register for the class, go to www.khanacademy.org/join/ASGS6DKT. If you have any issues getting into the course, please feel free to email me so that we can work it out.

Thanks,

Miss Lopez
