

Let's learn all about

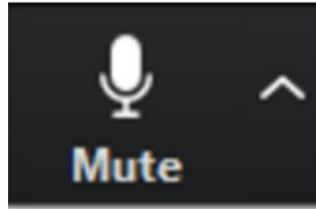

zoom
Joining a Meeting

These are some features
of Zoom you need
to know.

Your Microphone

This button will allow you to mute and unmute your mic. Click the ^ symbol to unmute.

Your Microphone

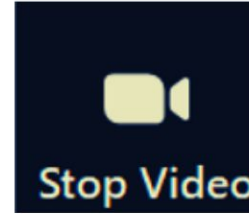

The host would like you to unmute
your microphone

Stay muted

Unmute myself

This means I would like to hear you.
Click Unmute myself.

Your Video

The video button will start and stop
your camera

How to raise your hand

Click on the Participants icon

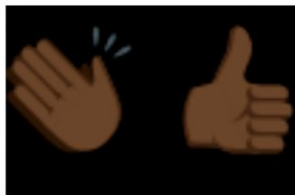

Then click Raise Hand

How to use Reactions

Reactions

Click on the Reactions icon

Then click the Reaction you'd like to give

View Options

Gallery View

Gallery View will allow you to see everyone in the Zoom.

View Options

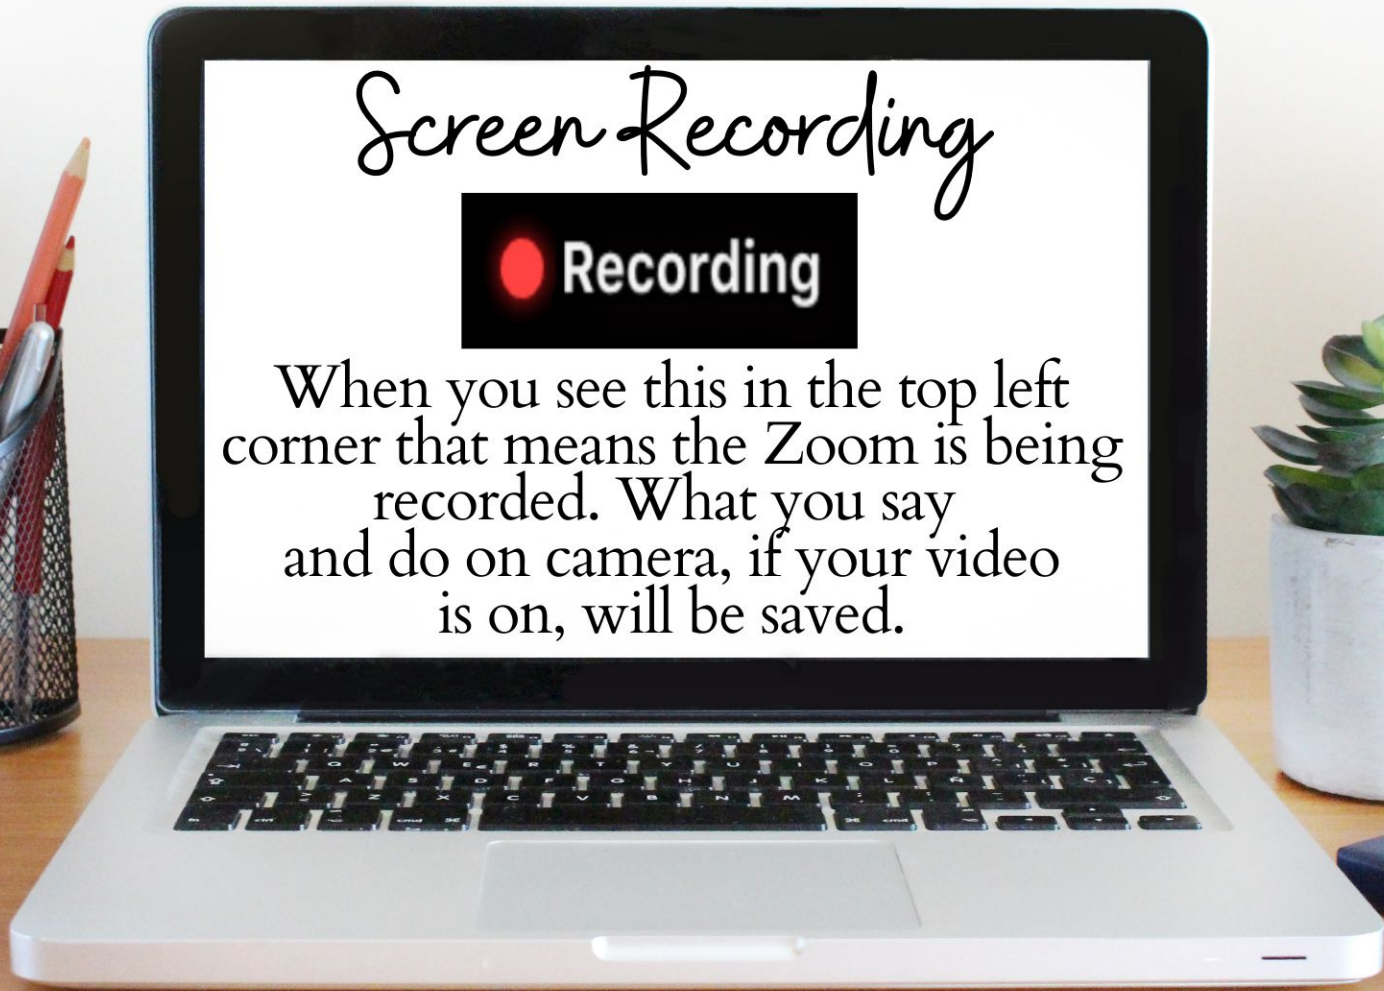

Speaker View

Speaker View will highlight
who is speaking.

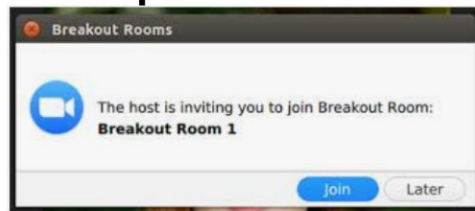

Screen Recording

 Recording

When you see this in the top left corner that means the Zoom is being recorded. What you say and do on camera, if your video is on, will be saved.

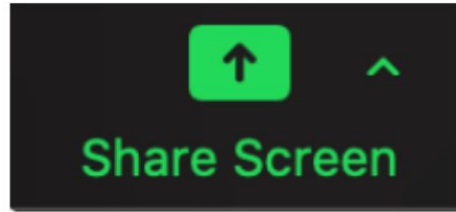

Breakout Rooms

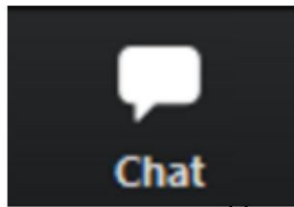

A Breakout Room means you will be in a chatroom with your classmates. This is just like breaking into groups at school.

Screen Sharing

You can share your screen so I can see it. Use this to show me your work or if you are having trouble with your screen.

Chat button

The chat button will allow you to open the in-meeting chat. You can send messages to one participant or the entire class.

When class is over

Leave Meeting

Click this button when class is over and you're ready to leave for the day.
