THE KING'S
CHRISTIAN SCHOOL

Dear Parents,

Summer is a time for rest and relaxation, but it is still important to exercise your brain! In order to be prepared for the next school year, please complete the required summer math packet and required summer reading assignment.

The summer math packet consists of skills and concepts covered during the school year. Some problems may be easy and others might be more challenging. Make sure you bring this packet to school on the first day! If you would like additional practice, there are many websites and apps that allow you to practice your math facts.

Suggested Math Websites:

- www.99math.com
- www.mathgames.com/grades
- www.mathplayground.com

Don't forget to read over the summer! It is so important to continue to read over the summer so you don't forget any of the reading skills and strategies you have learned this past school year. Depending on your grade, you will have a certain reading assignment.

Please read 20 minutes a day for 35 days over the summer. There is a suggested reading list for each grade, but feel free to choose any book you are interested in. For every day that you read, please color a beach ball on your reading log. Bring your completed reading log with you on the first day of school.

Students entering fourth grade through fifth grade:

Please read the assigned novel in addition to completing the reading calendar.

- Fourth Grade: *The Secret School* by Avi
- Fifth Grade: *Fish in a Tree* by Lynda Hunt

We look forward to seeing you in September! Enjoy your summer!

Sincerely,

Mrs. Jessica Flanagan
Elementary Principal

Summer Reading Calendar and Log

Summer Reading 2024

Read 30 minutes a day for 40 days (first grade and second grade read 20 minutes). For every day you read, brightly color the square on the calendar. On the back of this page, keep a list of all the books you read. Bring the calendar and the book list to your teacher on the first day of school in September.

Sun	Mon	Tue	Wed	Thu	Fri	Sat
6/16	6/18	6/19	6/20	6/21	6/22	6/25
