

Middle School/High School Supply Lists 2024

All students need to have a Bible and will be asked to use paper bags to cover books. Book socks are not permitted. We also suggest that all students purchase a dress code approved sweater or sweatshirt. Students enrolled in a lab science class will have to have closed-toe shoes and long pants for lab days.

Below are the general school supplies listed for each teacher. Additional special items for a specific class may be added in the first week of school.

***Required calculators for grades 7 through 12**

Calculators are used in math and science courses from 7th through 12th grades. Students enrolled in 7th grade math, Pre-algebra, Algebra I & II, Geometry, and the high school sciences should have a TI-30XIIS calculator. Please note this is not the Multiview calculator. Students in Pre-Calculus, Calculus, and Probability and Statistics need to have a TI-84 Plus Calculator. The teacher recommendation is to purchase the Silver edition or the CE. We recommend against the Inspire.

Please note:

[Yearbook, Art, Music, STEM, Mandarin]

No special supplies needed at this time

Supply Lists (organized by teacher's last name and class(es) taught)
