

Middle School/High School Supply Lists 2025

Below are the general school supplies listed for each teacher. All students need to have a Bible and will be asked to use paper bags to cover books, if possible. Additional special items for a specific class may be added in the first week of school.

***Required calculators for grades 7 through 12**

Calculators are used in math and science courses from 7th through 12th grade. Students enrolled in 7th grade math, Pre-algebra, Algebra I & II, Geometry, and high school sciences should have a TI-30XIIS calculator. Please note this is not the Multiview calculator. Students in Pre-Calculus, Calculus, and Probability and Statistics need to have a TI-84 Plus Calculator. The teacher's recommendation is to purchase the Silver edition or the CE. We recommend against the Inspire.

Please note:

[Yearbook, Music, STEM, Mandarin, Advanced Writing, History Through Film Media, Economics/Computer Science]

No special supplies needed at this time
