THE KING'S
CHRISTIAN SCHOOL

Dear Parents,

Summer is a time for rest and relaxation, but it is still important for students to exercise their brains! To be prepared for the next school year, please have your child complete the required summer math packet and required summer reading assignment.

The summer math packet consists of skills and concepts covered during the school year. Some problems may be easy, and others might be more challenging. Make sure your child brings this packet to school on the first day! If they would like additional practice, there are many websites and apps that allow them to practice their math facts.

Suggested Math Websites:

- www.99math.com
- www.mathgames.com/grades
- www.mathplayground.com

Don't forget to have your child read over the summer! Summer reading is so important for ensuring that students retain the reading skills and strategies they learned this past school year. Specific reading assignments and book lists have been tailored to each grade level.

Students are being asked to read 20 minutes a day for 35 days over the summer. There is a suggested reading list for each grade, but feel free to choose any book your student is interested in and that is at their reading level. For every day that your child reads, have them color a beach ball on their reading log. Bring the completed reading log on the first day of school. Students entering first through third grade should practice their sight words daily in addition to reading.

We look forward to seeing you in September! Enjoy your summer!

Sincerely,

Mr. Craig Beatty, M. Ed.
Principal

The Year of Miss Agnes / Hill

Summer Reading 2026

Read 20 minutes a day for 35 days (first grade and second grade read 20 minutes). For every day you read, brightly color the square on the calendar. On the back of this page, keep a list of all the books you read. Bring the calendar and the book list to your teacher on the first day of school in September.

Sun	Mon	Tue	Wed	Thu	Fri	Sat
6/14	6/15	6/16	6/17	6/18	6/19	6/20
6/21	6/22	6/23	6/24	6/25	6/26	6/27
6/28	6/29	6/30	7/01	7/02	7/03	7/04
